- Schedule will be posted on website
- Brandon was going to check on cost to do cows in Rodeo arena, however the person he normally deals with is out for several months so probably not able to get a “break” on cost. He thinks it would be \$900 a day.
 - We will see how the budget is closer the event and if we can afford it, we will do it.
- Sierra Breeze – we may need to update the information on the web site. Brandon will check with Lisa to confirm that she is coming and get updated information for website.
- Brandon got quote for cattle from Cody Staples. He will bring 10 head for working rancher and the next day will bring 20 more for \$1800. **They will be horned.**
- 3rd place cups are in process and 2nd place awards will be done and delivered to OHSET state meet. Plates for 2nd place awards will be done by June 1.
